

**RECOMMENDED TRAIL ALTERNATIVE - CONCEPT PLAN**  
**ORCHARD ST. RAVINE**

DATE: DEC. 13, 2005

This option refines the interior loop trail, and includes some area for parking/staging and a signage (interpretive, orientation) allowance. It avoids development in steep slope areas. The overall length would be similar to the Interior Loop option above.

Trail construction & associated restoration - \$35,000-\$40,000  
 Remaining for VMP and Implementation - \$135,000 - \$140,000
